

GETTING STARTED

The City of Santa Fe thanks you for participating in this fun challenge. At some stops during the Challenge, participants will receive surprise offers such as discounted entry fees. Those completing the challenge will also receive a special gift.

INSTRUCTIONS

1. Please use your own or a borrowed GPS device to find the popular Santa Fe sights located at the GPS coordinates in each box on the Santa Fe Adventure Passport (reverse side or page 2 of this document). If you would like to rent a GPS device for \$25 per day, please contact Santa Fe Mountain Adventures at 505-988-4000 or info@sfmadv.com to make reservations for GPS pick-up and a brief tutorial.
2. Use the Santa Fe Adventure Passport to write-in the name of the Santa Fe sight that you find in the appropriate box.
3. Please enter the location and ask the front desk attendant (e.g. museum, church) to stamp your passport to validate your find. You may temporarily lose satellite reception when inside. Please note the hours of operation for each sight.
4. If a stamp is not readily available or if you visit a sight during off hours, you may instead draw a picture of the relevant Santa Fe sight. However, you must obtain at least 5 stamps on your passport to complete the Challenge.
5. After finding all 8 popular Santa Fe sights, please turn in your completed passport to the Santa Fe Visitor Center in the Lamy Building at 491 Old Santa Fe Trail to claim your gift for completing the Challenge. The Center is open from 8 to 5 – 7 days per week and their phone number is 505-827-7336. You may also redeem your completed passport on weekdays from 8-5 at the Santa Fe Convention & Visitors Bureau at 201 W. Marcy St.
Congratulations!

NOTICE

All information and data is presented for reference only. You assume total responsibility and risk associated with using the GPS device and undertaking the Santa Fe Geocaching Challenge.

The Santa Fe Geocaching Challenge is powered by Santa Fe Mountain Adventures (www.santafemountainadventures.com). Please contact them at 505-988-4000 to learn more about their mountain geocaching and other adventures.

GEOCACHING CHALLENGE
