The image features three ears of corn on the cob, partially husked, resting in a dark, woven basket. The corn is charred and appears to be seasoned with a red spice. The background is dark and out of focus. The text 'Santa Fe SNACK' is overlaid on the image. At the bottom, there is a dark banner with the 'Santa fe' logo and the tagline 'THE CITY DIFFERENT'. Below the banner, there is a line of text: 'Top 10 Foodie Cities - LIVEABILITY.COM' and 'GO TO SANTAFE.ORG TO GET A TASTE OF EVERYTHING WE HAVE TO OFFER.'
